

Versatile Roots Blower for Various Industrial Uses and Environments

Basic Information

Place of Origin: ChinaBrand Name: Aipu

Certification: CE CCC SABS TUV RoHS

Model Number: L ZL)

• Price: Negotiable

Packaging Details: Standard Export Package

• Delivery Time: 6-8 workdays

Product Specification

• Energy Efficiency: High Efficiency

Power Supply: ElectricMaterial: HT250

• Installation: Easy To Install

Product Description:

L series Roots type blower/vacuum pump is the new type energy-saving product designed by National Union Design Team. After being restructured many times complying with the market information and customer's feedback, L series Roots type blower has acquired some advantages such as good performance, reliable running and the ability of fulfilling varie need of conditions and medium.

Features:

Pressure changes automatically when system resistance changes.

Flow changes in little when pressure changes.

Medium is free of oil.

The flow range is wide and can be chosen conveniently by users.

Different seal type to meet the requirements of varied medium.

Specifications are various such as vertical,horizontal,positive pressure,and negative pressure.

Advanced structure ensuring reliably running, long life time, easily operation and maintenance.

Technical Parameters:

Note: Motor protection class IP23 and 6000V high votage for types marked with "*" IP54 and 380V for others. Frequency 50Hz.

Applications:

Customization:

Key attributes:

Product:Roots Blower

Brand: Aipu

Place of Origin: China

Certification: CE, CCC, SABS, TUV, RoHS

Price: Negotiable

Packaging Details: Standard Export Package

Delivery Time: 6-8 workdays Capacity: Customizable Material: HT250

Scientific design and advanced production ensure the products you need run ste reliably and safely

International advanced machine
