Product Description

Product Description:

At just 20 lbs, this Electric Air Blower Gun is lightweight and easy to maneuver, making it a great choice for both professionals and homeowners alike. And with dimensions of 15 x 10 x 12 inches, it's compact enough to store easily when not in use.

As an aerator blower, this tool is specifically designed to deliver powerful bursts of air to help move debris and detritus out of your lawn or garden. Whether you're cleaning up after a storm, getting rid of leaves in the fall, or just maintaining your outdoor space, this Electric Air Blower Gun is the perfect tool for the job.

With a power supply of AC 220-240V, 50-60Hz, this Electric Air Blower Gun is both powerful and reliable, ensuring that you'll always have the power you need to get the job done quickly and efficiently. And with its durable construction and long-lasting design, this Electric Air Blower Gun is built to last, ensuring that you'll be able to use it for years to come.

So why wait? If you're looking for a top-quality aerator blower that can help you take care of your lawn or garden, look no further than our Electric Air Blower Gun. Whether you're a professional landscaper or just a homeowner looking to maintain your outdoor space, this powerful and efficient tool is sure to meet all your needs and exceed your expectations.

Applications:

The Jiang Aerator Blower is perfect for a wide range of applications and scenarios. It is ideal for use as an air cushion machine blower, providing the necessary airflow to fill air cushions quickly and efficiently. The blower is also perfect for use as an electric air blower gun, thanks to its powerful motor and high airflow capacity. This makes it ideal for use in automotive repair and maintenance, where it can be used to blow out dust and debris from hard-to-reach areas.

The Jiang Aerator Blower boasts a maximum airflow capacity of 100 CFM, making it one of the most powerful blowers in its class. It is designed to operate on AC 220-240V, 50-60Hz power supply, making it suitable for use in a wide range of settings and environments.

The Jiang Aerator Blower is CE and UL certified, ensuring that it meets the highest industry standards for quality and safety. It is available for purchase in minimum quantities of 1kg, with negotiable pricing and container packaging options. The blower has a delivery time of 10 days and can be purchased using TT payment terms.

With a supply ability of 10t/y, the Jiang Aerator Blower is a reliable and efficient solution for all your air-cushioning and blowing needs.

Whether you need to fill air cushions quickly or blow out dust and debris from hard-to-reach areas, the Jiang Aerator Blower is the perfect tool for the job.

So why wait? Get your hands on the Jiang Aerator Blower today and experience reliable performance and high-quality blowing power like never before!
