Product Description

Product Description:

This type of aerator blower is perfect for those who need to inflate items quickly and efficiently. With an electric power source, this blower is easy to use and requires minimal effort. No more manually inflating items with a bulb air blower or other outdated methods.

Not only is this blower powerful and efficient, but it also comes with a 1-year warranty. You can trust that this product is built to last and will meet all of your inflating needs for years to come.

Overall, the Aerator Blower is a top-of-the-line electric air blower gun that is perfect for those who need to inflate items quickly and efficiently. Whether you need to inflate a bouncy castle for a party or pool toys for a day at the beach, this blower is the perfect solution. With a noise level of 70 DB, max pressure of 10 PSI, and a 1-year warranty, you can trust that this blower will meet all of your needs and exceed your expectations.

Applications:

One of the primary applications for the Jiang Aerator Blower is in the inflatable industry. Whether you are inflating a bouncy castle, a giant inflatable slide, or an air-filled advertising display, this blower is an excellent choice. Its high-powered motor and lightweight design make it easy to move from one location to another, and its compact dimensions of 15 x 10 x 12 inches make it easy to store when not in use. Another potential use for the Jiang Aerator Blower is as an electric air blower gun. This versatile tool can be used for a variety of tasks, such as cleaning out hard-to-reach spaces, inflating tires, or drying wet surfaces. The powerful motor and precise control make it easy to use, even for delicate tasks.

The Jiang Aerator Blower can also be used as an air cushion machine blower. Air cushion machines are used to create cushioning material for shipping and packaging purposes, and the high-powered motor of this blower makes it an excellent choice for this application. With its ability to produce consistent air flow and its lightweight design, this blower is easy to move from one location to another.

Whether you need a bouncy castle air blower, an electric air blower gun, or an air cushion machine blower, the Jiang Aerator Blower is an excellent choice. With a minimum order quantity of just 1kg and negotiable pricing, this product is affordable and accessible for a wide range of businesses and individuals. Its container packaging and delivery time of just 10 days make it easy to get the product you need when you need it. Payment terms are TT and supply ability is 10t/y, ensuring that you can always get the product you need when you need it.
