Product Description

Product Description:

This model is an automotive blower motor that can be used for a variety of different tasks. Whether you need to clear out leaves and debris from your garden or you want to aerate your lawn, this blower can help you get the job done in no time.

The bulb air blower is made in China and is designed to be easy to use. Simply plug it in to your AC 220-240V, 50-60Hz power supply and you're ready to go. The blower features a powerful motor that can deliver a strong blast of air to quickly clear away any debris in your path.

One of the best things about this aerator blower is that it comes with a 1-year warranty. This means that you can have peace of mind knowing that your investment is protected, and you can rely on this blower to help you get your yard work done for years to come.

Overall, if you're looking for a powerful and reliable tool to help you with your landscaping and gardening projects, the Aerator Blower is an excellent choice. Its durable aluminum construction, powerful automotive blower motor, and easy-to-use design make it a must-have for anyone who wants to get their yard work done quickly and efficiently.

Applications:

With a powerful airflow of 100 CFM and a noise level of only 70 DB, this blower is both efficient and quiet. It is also certified by both CE and UL, ensuring that it meets the highest standards for safety and quality.

The Jiang Aerator Blower is made in China and has a minimum order quantity of 1kg. The price is negotiable, and the packaging details include a container. Delivery time is 10 days, and payment terms are TT. The supply ability is 10t/y.

Thanks to its compact dimensions of 15 X 10 X 12 inches and its AC 220-240V, 50-60Hz power supply, this blower is easy to use in a variety of situations. Whether you need to inflate a bouncy castle or a large bulb, this blower can get the job done quickly and efficiently. Overall, the Jiang Aerator Blower is a versatile and reliable tool that is perfect for anyone who needs to inflate large objects. Whether you are a bouncy castle rental company or an event planner, this blower is sure to meet all of your needs. So why wait? Order yours today and start enjoying all of the benefits that this amazing blower has to offer!
